Saturday 7th June 8pm

Welcome To Lymm RFC

On behalf of Lymm RFC I would like to extend a warm welcome to all players, coaches and spectators for this Cheshire Junior Colts Finals Day. We are delighted to welcome you to our club and hope that you have an enjoyable visit whilst recognising that not every team can end up as winners.

Lymm Rugby Club has been changing over the recent years. Through the RFU we have an artificial grass pitch that is compliant with World Rugby Standards and means we can play and train in many more weather conditions, rain and poor weather is obvious but also the pitch retains its bounce and shock absorption in dry weather when the ground is very hard. We have been joined by Lymm Manor Road Tennis Club with the construction of 4 all-weather courts in the walled garden. Together with the squash courts and the shared club with Lymm Hockey we are making strides to becoming the Lymm's foremost community sports club.

As Lymm Rugby club the future of the Junior Colts and then into the colts is of vital importance to the future of the club. The current Lymm senior squad has over 70% of players who are ex-colts. We are building a strong academy of shared training resources for the U16, Junior and Senior Colts. In this way, the life blood of the club we hope is secured.

With 6 teams fighting it out for the finals, it is important to recognise all the other teams that are not here across Cheshire. We'd like everyone to take a moment to salute all these teams, the fixture secretaries, team managers, first aiders, parents, grandparents, guardians and carers who travel across the region to support, encourage, console all these players and so help the future of rugby.

I want to thank the team of referees for the day – it is so important to see some young referees coming through into the game and this is an ideal opportunity for them. Thanks all.

I am sure that all 6 teams and each and every player and coach will give the day their all. We wish you all good luck and hope everyone embraces the TREDs spirit of rugby.
